Following is a description of the insurance coverages we are offering for camps occurring between 11/1/21 thru 10/31/2022. For your convenience, we have combined the General Liability and Excess Medical rates together for both commuter and resident campers. Your camper days should include the number of campers, coaches, volunteers, and athletic trainers. On the reverse side of this sheet you will find an enrollment and rating form. The enrollment form along with a 40% deposit must be completed and in our office before coverage can take effect. After your last camp is completed we will audit your actual camper numbers and bill for the actual balance.
